

VALUE PROPOSITION

DESCRIPTION

I work with homeowners to realize the full potential of the two most important rooms in their homes. I help them transform their dated Kitchens and Bathrooms into more functional spaces that better reflect their lifestyles while harmoniously integrating them with the rest of the home.

BENEFITS

Creative Vision

Following an in-person consultation, I provide objective feedback and a clear, coherent, contextualized vision of your desired outcome.

Sourcing

I eliminate the overwhelming chore of finding appropriate materials, products, and furnishings.

Design Direction

I trouble-shoot hidden pitfalls in consultation with experienced contractors and trades so there are no surprises or expensive reworks.

Coordination

I oversee all aspects of the project to ensure that no detail is overlooked and the process is as cost effective and enjoyable as possible.

PROCESS

Consultation

On-site meeting to review project to ensure that all involved have a clear understanding of vision, process, pricing, results, and timelines.

Scope of Work

An itemized list outlining all aspects of the project broken out room-by-room including a description of proposed finishes.

Drawings

Floor Plans and Wall Elevations as required.

Catalogues

Furniture, fixture, and finish selections including product specifications (and related supplier) broken out room-by-room.

Finish Schedule

Detailed description of all fabrics and finishes including manufacturer specifications and related supplier.

Finish Palette

Photographic record of all proposed finishes broken out room-by-room.

Quotation

Coordination of contractor/trade quotation including site walk-through with all involved.

Project Management

Supervision of all trades including consultation, trouble-shooting, and regular site visits.
